Canada Water Agency Pre-engagement Sessions

Chiefs of Ontario is supported with capacity to engage in discussions regarding freshwater issues in collaboration with Ontario chiefs and technicians. Chiefs of Ontario will be hosting:

- i. A two-day information session to provide background on the Canada Water Agency – **Jan 11 & 12, 2022**
- ii. Six workshops on priority freshwater issues and preparing a report on the sessions: **Jan 26, Jan 27, Feb 8, Feb 11, Feb 22 and 23**
- iii. Chiefs Committee meeting to review prepared report and make recommendations for next steps to address the establishment of the Canada Water Agency: **March 24, 2022**

These will be information sessions only; not part of any First Nation consultation process. No comments made from First Nations will be documented as definitive policy statements or approvals or endorsement at these sessions.
